The Band Concert went great. The middle school kids did a great job.

The Marching show music is out.

Tomorrow, May 24<sup>th</sup>, the Band will be performing for the 5<sup>th</sup> graders at the middle school. Per Mr. Lott, the overall County budget for next year is about 2 million in the hole. Duval County is not having sports or band after school at all. We will get money for bussing next year for 5 away games.

We will host the MPA on October 22, 2011. Proceeds from parking and food should be about \$5,000.

The Band Trip was amazing, the worst thing that happened was the air conditioning going out on a bus.

The kids put uniforms up and away and cleaned the uniform room. They can be trusted with responsibilities.

#### **Uniforms - Brandy Petteway:**

Brandy will get uniforms to be cleaned one last time. Mr. Dunn can measure kids during camp for next year. Mr. Dunn is talking with a company who can sell us shoes for about \$23.

We may look at buying uniforms for concert season.

We need to stop borrowing shoes and uniforms.
