**Emergency meeting:**

A short meeting was held at the North Marion game. Mr. Poupard told everyone that we need to do something with the concession stand for safety reasons. One of the window panels came loose and fell as it was being put down, because of the age of the building the other windows may do the same thing. Ms. Jordan met with Mr. Pinkston and we can get a new building for around \$4,000. We will begin a letter writing campaign as soon as possible to earn money for this building. A motion was made to proceed by transferring the money needed from the UF savings account and replace the money as it is received from the letter writing campaign. The motion was seconded and passed.
